Ruling Entry - ORDER AND NOTICE SETTING REMOTE HEARING
Commissioner: DUSTIN HARDY

This matter is scheduled for hearing between July 6-10, 2026. Due to anticipated logistical issues at the courthouse that day, the court will utilize the Webex remote format for the hearing. Do not attempt to attend the hearing in person as the courtroom will be closed.

Commissioner Hardy's WebEx link may be found on the court's online calendar at:
<https://legacy.utcourts.gov/cal/>. Please note each day has a separate link.

Participants appearing virtually are required to be logged in to WebEx before the scheduled hearing time so the matter can be heard promptly at the time scheduled or as soon thereafter as the court can address the matter.

All WebEx participants shall use a device and an internet connection that will contemporaneously transmit video and audio with sufficient quality to ensure a clear record of the proceedings.

All WebEx parties, counsel and witnesses shall identify themselves using their first and last names as their WebEx display name.

WebEx participants must appear from a location that does not disrupt the court proceedings and allows the attendee to participate without distractions. Appearing at multiple hearings simultaneously is not acceptable. All WebEx participants are required to be focused on the proceedings and must observe the same courtroom decorum as those attending in person, including appropriate courtroom attire, behavior and language. WebEx participants shall not appear while operating a vehicle.

If the parties have minor children in common, the minor children shall not be in the same room as any device that is transmitting or receiving the proceedings whether or not headphones are in use.

Counsel shall have a private method of communication with their clients if they are not able to sit next to each other during the hearing.

Voluminous exhibits referred to under URCP 101(j)(3) shall be numbered or Bates stamped and provided to the court in hard copy at least 2 business days before the hearing. For those appearing in person, copies may be provided to the court at the hearing and need not be provided prior to the hearing. Courtesy copies of URCP 101(j)(3) exhibits shall be provided to opposing counsel/party and shall have the same numbering or Bates stamp format as the copy provided to the court. Do not file the voluminous exhibits in the court's file.

The courtroom audio visual system is not able to simultaneously accommodate Webex video conferencing and the sharing of electronic exhibits or media in a non-Webex format. Therefore, if the parties wish to use the court's evidence monitors to share electronic exhibits or media, they shall have the exhibits or media loaded on a separate device logged into Webex and the court may then provide that party/device with Webex sharing privileges.

In the event the participants arrive late, do not comply with the WebEx requirements or experience technology issues that can not be promptly resolved,

the court may continue the hearing.
