Thanks for following up.

It got buried in my inbox.

I just forwarded it to you + my response. I also left you a voicemail.

Depending on their response... I may have to appeal or file a new GRAMA request.

friend Chris provided CPR to the driver that appeared to be on a suicide mission, but the big blue house is my rental property and I own another lakefront about 100 steps away. Just an interesting coincidence as I had a bust his chops as he dated a newscaster not too long ago and I feel like Chris is on the news more than she is. Anyway, let me know if there's anything further and I will probably address this issue at the next city Council meeting. Greg.

Pursuant to the Government Records Access and Management Act (GRAMA), I would like to request the following public records which are under your control.

1 - Copies of all complaints filed against Zachary Goodale.

2 - Copies of all disciplinary records for Zachary Goodale – including but not limited to verbal warnings, written warnings, verbal reprimands, written reprimands, letters, coaching and counseling sessions, suspension with pay, suspension without pay, termination, etc.

3 - Copies of all resignation records for Zachary Goodale.

For reference, Goodale was an employee of the American Fork Police Department.

Report Suspicious

I think you mentioned five business days should you get a response this week regarding your Gramma request please forward. As I told you, ironically, I ran into the chief on Monday and he agreed to resend the trespass in a three minute discussion from my car at the police station. I did submit my complaint on Thursday so you will probably not get that as part of your request. Should you want a copy, Let me know.

On another note, I own a rental property that was part of channel 13 news and every channel on Thursday when a black truck crashed into the fire hydrant and everything else and ended up upside down and Daybreak. Our good

COMPLAINT FINDINGS – COM-2025-009 (ZACHARY GOODALE)

Dear Mr. Hazard,

I have reviewed the complaint you submitted with a date of April 17, 2025. This letter is to inform you of my findings.

This review included reading Zachary Goodale's police report, reviewing video footage from his body-worn camera (BWC), and reviewing department policy and state law.

Findings

Based on this review, I have determined that Goodale's conduct violated multiple department policies and state law, including, but not limited to:

- Engaging in on-duty conduct which Goodale should have reasonably known was unbecoming a member of this department and would reflect negatively on this department (Policy 320 Standards of Conduct (320.6.9(m)))
- Unlawful parking in an accessible parking space (Utah Code Annotated 41-1a-414(3)(a))

Additional Observations

Additionally, there are two parts to Goodale's actions that I would like to specifically address in this letter.

In Goodale's exchange with you, when referencing why he was parking in an accessible parking spot, Goodale told you, "Because I'm allowed to." This is false. Goodale was subject at the time to the same laws surrounding parking in an accessible parking space as any member of the public within the State of Utah. I expect all our officers (including me) to uphold the law at all times, adhering to local, state, and federal statutes. When we fail to do so, we erode public trust and compromise the authority the community has given us to enforce these same laws.

Toward the end of this exchange, Goodale also told you that if you returned, you would be charged with trespassing. This is disappointing because it appeared that Goodale began speaking to you; at which point, you began walking toward him, subsequently entering the parking lot. I believe a reasonable person would imply that this was an invitation to enter the

parking lot to engage in a conversation. Goodale should not have trespassed you from the property, nor do I feel he had the authority to do so.

Resolution

Zachary Goodale resigned from our police department in January 2025. As such, he is no longer an employee of American Fork City. Because of this, there is no corrective action or discipline that I can impose. I will, however, include documentation of this complaint and my findings in our department records.

I have since rescinded the trespass order you were issued and have provided you with documentation of such. I would also like to apologize on behalf of the department and the city for Goodale's conduct with you in this case. His actions are not representative of the department's core values, what we are striving to become, or how we want to be viewed in our community.

If you have any further questions, please let me know.

Respectfully,

RE: AMERICAN FORK POLICE INCIDENT 24AF03376

Dear Mr. Hazard,

As you are already aware, former Officer Zachary Goodale and you had a conversation in the north parking lot of the American Fork Police Department on April 19, 2024, pursuant to Officer Goodale having unlawfully parked in a handicap parking stall at our police department.

During this encounter, Officer Goodale informed you that, "...your return here will result in you being charged with trespassing." A reasonable inference can be made that, through Goodale's statement, you had been issued a trespass order for this parking lot and/or other exterior property of the American Fork Police Department. Furthermore, Officer Goodale wrote in his police report narrative, "I trespassed Gregory from the north parking lot of the police department."

Based on my review of this incident, I have concluded that Officer Goodale's trespass order was unreasonable and inappropriate. I also determined that Officer Goodale's conduct and actions that day were unbecoming of an officer of this department.

I am subsequently writing to inform you that I am rescinding the trespass order which was issued to you by Officer Goodale on April 19, 2024. No current trespass order remains for you in relation to the property of the American Fork Police Department.

Respectfully,

A handwritten signature in black ink, appearing to read "C. Paul", with a stylized flourish at the end.

COMPLAINT FINDINGS – COM-2025-010 (ZACHARY GOODALE)

Dear Mr. Hazard,

I have reviewed the complaint you submitted regarding case 24AF02000. This letter is to inform you of my findings.

This review included reading Zachary Goodale's police report, reviewing video footage from the body-worn cameras (BWC) of two other officers that were on scene, and reviewing department policy and state law.

Findings

Based on this review, I have determined that Goodale's conduct violated multiple department policies, including:

- Engaging in on-duty conduct which Goodale should have reasonably known was unbecoming a member of this department and would reflect negatively on this department (Policy 320 Standards of Conduct (320.6.9(m)))

Additional Observations

In this case, referring to you, Goodale told the female, "Well... here's the deal. I'm sorry that you ran into one of American Fork's greatest a-holes [sic]." Further in this same conversation, Goodale also told her, "Well, if everything goes according to plan, I will... um... traumatize him for you, ok?"

These statements constituted conduct unbecoming a police officer of the American Fork Police Department. Our officers should not be disparaging other members of the community. I am disappointed with Goodale's comments and the negative perception this has cast on our department and its members.

Furthermore, the investigation into this case does not appear to have been conducted in an objective and complete manner. Goodale did not gather your observations and account, and he also did not review available video surveillance. This should have been part of his investigation so he could have reached a more informed decision. Again, this does not meet the expectations we have for our officers in their interactions with the public and regarding their investigations.
