CHRISTOPHER BLACKBURN,	)

_____	)	

The plaintiff, state of Idaho (hereinafter referred to as “State”), acting by and through its attorney, S. Douglas Wood, Prosecuting Attorney for the county of Caribou, and the defendant, CHRISTOPHER BLACKBURN (hereinafter referred to as “Blackburn”), acting individually and by and through his attorney of record, Stratton P. Laggis of **LAW OFFICE OF STRATTON P. LAGGIS, PLLC**, enter into the following agreement:

1. Blackburn is the above-named defendant. He has been charged with the following offense:

- a. One (1) count of Lewd Conduct with a Minor, a felony, in violation of Idaho Code § 18-1508.

2. I, Christopher Blackburn, acknowledge and understand I have the following constitutional rights:

- a. I am presumed innocent until proven guilty beyond a reasonable doubt.
- b. I have the right to a jury trial.
- c. I have the right to confront and cross-examine any witnesses against me.
- d. I have the right of compulsory process to obtain witnesses on my own behalf.
- e. I have the right to remain silent at all times and if I wish to exercise that right then it cannot be used against me as an implied admission of guilt.

3. The State and Blackburn agree, conditional upon acceptance by the court of this Rule 11 Binding Plea Agreement, that:

- a. The State shall amend one (1) count of Lewd Conduct with a Minor, a felony, in violation of Idaho Code § 18-1508, to one (1) count of Injury to Child, a felony, in violation of Idaho Code § 18-1501(1).
- b. Blackburn shall plead guilty to one (1) count of Injury to Child, a felony, in violation of Idaho Code § 18-1501(1).
 - i. The court shall sentence Blackburn, pursuant to Idaho Criminal Rule 11(f)(1)(C), as follows:

- a. The court shall sentence Blackburn to a determinate, indeterminate, and unified sentence in its discretion. The State and Blackburn shall be free to recommend an underlying sentence they believe to be appropriate.
- b. The State and Blackburn agree the court shall suspend the underlying sentence and retain jurisdiction for a period of one (1) year.
- c. The court shall impose a court fine in its discretion and statutory court costs.
- d. Blackburn shall pay reasonable restitution, and Blackburn shall be entitled to object to the amount of restitution requested, if necessary.
- e. As a term and condition of probation, Blackburn shall have no unsupervised contact with minor children with the exception of his biological daughter with whom he may have contact with, and custody of, as set forth in his current custody order or any modified custody order.
- f. As a term and condition of probation, any contact with other minor children shall be supervised by an adult who is familiar with the circumstances in the above-entitled action.
- g. The parties agree the current No Contact Order shall remain in full force and effect during the pendency of the above-entitled action.
- h. Blackburn shall receive credit for any, and all, time served in the above-entitled action.

4. I understand the nature of the charge against me, and I understand my constitutional rights. However, I desire to voluntarily enter into a plea of guilty to one (1) count of Injury to Child, a felony, in violation of Idaho Code § 18-1501(1). I further understand:

a. I am waiving and giving up all of my rights and defenses to the remaining charges, regardless of whether the rights and defenses are procedural or substantive in nature.

b. The court is not required to accept this plea of guilty or this Rule 11 Binding Plea Agreement. If the court rejects my plea of guilty or this Rule 11 Binding Plea Agreement, then I will have the opportunity to withdraw my plea and have a trial. I understand it is in the sole discretion of the court whether to accept or reject my plea of guilty and this Rule 11 Binding Plea Agreement.

c. If the court accepts my plea of guilty, and this Rule 11 Binding Plea Agreement, then the only remaining issue is for the court to have a hearing and sentence me. At the hearing, the only matter to be decided is whether the court will accept the terms described above and impose a sentence in conformance with this Rule 11 Binding Plea Agreement and not whether I did or did not commit the crime.

5. I understand the terms described above constitute the full and complete sentence the court is able to impose, the court cannot deviate from those terms, and the court is bound by those terms upon acceptance of this Rule 11 Binding Plea Agreement. Absent this Rule 11 Binding Plea Agreement, I understand the court could impose the maximum sentence of imprisonment for the charge to which I plead guilty.

I further understand Injury to Child, a felony, in violation of Idaho Code § 18-1501(1), is punishable by imprisonment for not less than one (1) year nor more than ten (10) years, or by a fine of not more than \$50,000.00, or by both such fine and imprisonment.

6. The only promises or inducements to have me sign this Rule 11 Binding Plea Agreement are set forth in paragraph three (3), above. No person has threatened, forced, or coerced

me to enter this plea of guilty, or to do or not do anything else in connection with any part of this case.

7. I read this document, or had it read to me. I discussed this matter with my attorney and had the chance to ask my attorney any questions I had. I fully understand the nature and consequences of this plea of guilty, and sign this document freely and voluntarily.
