NARRATIVE:

INITIAL STOP:

On 5/21/26 shortly after entering the freeway I saw a dark Jeep in my rear view mirrors that was aggressively switching lanes, following too closely to vehicles in front of him and speeding. Just prior to exit 317 the Jeep entered the HOV lane to exit. I thought the Jeep entered the HOV lane while there was still a double white line so I initiated a traffic stop.

CONTACT WITH AARON BOOKER:

The Jeep came to a stop on the shoulder of the exit. I exited my vehicle and approached the vehicle on the passenger side. As I got to the window I saw the window had been rolled down approximately four inches. I told the driver to roll down the window and he responded with no hes good. I then asked the driver if he'd like me to call highway to come break the window. That escalated the situation and the driver began yelling and then handed me his registration, insurance card and mistakenly handed me his military ID card. I then identified the driver as Aaron Booker and saw that he had served as a Marine. I then attempted to de-escalate the situation and tell Mr. Booker that I appreciated his service. Mr. Booker interupeted me and said he didn't want to hear what I had to say and fuck you give me my ticket. I told Mr. Booker I had no intention of giving him a ticket and just wanted to warn him about improperly entering the HOV lane. Mr. Booker responded with fuck you the carpool lane ends way back at Parrish lane, fuck you give me my ticket. I informed Mr. Booker again that I had no intention of giving him a citation and he responded with then give me my shit. I handed Mr. Booker his papers and walked back to my vehicle.

After exiting the freeway I intended to find my way back to the freeway. I noticed Mr. Booker was now in lane one driving extremely slowly. Not wanting to re-engage I turned right into a parking lot to avoid his vehicle. Mr Booker then crossed across two lanes of traffic and turned into the parking lot. I turned back out onto the main road to head back to the freeway.

I stopped at a red light and while waiting, Mr. Booker pulled up next to my vehicle and began yelling at me again while my window was up. There was multiple vehicle space between Mr. Booker and the vehicle in front of him. I rolled down my window and Mr. Booker demanded my name and badge number. I informed Mr. Booker that our interaction was over. I rolled back up my window and continued to the freeway.

DISPOSITION:

I made a traffic stop on I-15 southbound exit 317 and made contact with the driver Aaron Booker. I gave Mr. Booker a verbal warning.
